

2 **MEMORANDUM OF AGREEMENT**

3 **SUBJECT: UPGRADED JOBS AVIATION MAINTENANCE**
4 **TECHNICIAN**

5 The IAM/Boeing Corporate Jobs Committee has reached agreement to
6 upgrade job codes 97109 Aviation Maintenance Technician and Inspector -
7 Field, C2709 Aviation Maintenance Technician and Inspector – Flight Test,
8 and the 92309 Aviation Maintenance Technician and Inspector – AOG to
9 labor grade 10. The upgrades to the 97110, C2710 and 92310 will be
10 effective upon contract ratification.

11
12 The current 97110 and C2710 job descriptions will be replaced with the
13 upgraded descriptions.

14
15 Employees currently at the maximum rate will be taken to the maximum rate
16 of the grade 10 upon upgrade. Additionally, employees still in progression
17 will maintain their current progression counter upon upgrade.
