

1 **MEMORANDUM OF AGREEMENT**

2 **SUBJECT: NEW JOB FOR STRATEGIC SUPPORT REWORK**
3 **MECHANIC**

4 Agreement: The IAM/Boeing Corporate Jobs Committee has reached
5 agreement to create a new job classification for the Strategic Support
6 Rework Mechanic Job Code 33606. The job code and description will be
7 effective upon contract ratification.

8 Initial staffing of this new job classification will be from those employees
9 currently assigned to the SST organization performing the full work
10 statement as described in the new job.

11 The employees who are upgraded during this initial staffing and are
12 currently at the maximum rate of their current job classification, will be
13 taken to the maximum rate of the new 33606 upon upgrade. Additionally,
14 any upgraded employee still in progression will maintain their current
15 progression counter upon upgrade.
