Complete Health Assessment Questionnaire by Nov. 24 to Avoid Added Monthly Premium Surcharge

Remember to complete the Boeing online health assessment questionnaire by Nov. 24 to avoid higher monthly premiums for the coming year (up to \$40 per month if both employee and spouse/partner fail to complete the assessment). Retirees do not need to take the health assessment.

Keep in mind there are no wrong answers on the health assessment and to avoid the higher monthly cost, you DO NOT have to provide any “numbers” on the Health Assessment. “I don’t know” is a perfectly acceptable answer.

Health screenings ARE NOT REQUIRED for our members and have NO IMPACT on the deduction from your paycheck for medical benefits. Screenings are strictly voluntary.

Information from health screenings could be beneficial for you and your doctor to discuss your personal care; however, health screenings have no impact on what IAM members will pay for medical contributions.

TAKING THE ASSESSMENT

Members: Log into Worklife and enter “Steps to Your Well Being” (with quotes) in the search bar. Within the article that pops up, click “Complete your health assessment.” You will be directed to the Wellness Checkpoint portal to complete the assessment.

Spouses or domestic partners enrolled in a Boeing-sponsored medical plan: Visit <https://boeing.wellnesscheckpoint.com>. Spouses or domestic partners will need to enter the employee’s BEMSID, the first three letters of the spouse’s first name and the spouse’s birth month and year.

REMEMBER: IAM members and their spouses/partners are not required to get ANY screenings, and you are not required to report any numbers to Boeing on the Health Assessment.
