The job will be posted for a two-week period and will be open to both internal and external candidates.

Please apply for open positions that are posted through the on-line requisition system at <https://jobs.boeing.com/> during the advertised application acceptance period. Applicant minimum qualification requirements will be clearly stated on the requisitions. Individuals who do not meet minimum the qualifications will receive an auto-notice encouraging them to apply when the minimum requirements have been met.

All applicants for an apprenticeship must be at least 18 years of age; be eligible for hire or rehire at Boeing; have never been enrolled in or completed an IAM/Boeing Joint Apprenticeship program; be a high school graduate (or equivalent). If proof of graduation cannot be provided, a 2- or 4-year degree is acceptable; have US person status; meet specific defined vocational training or trade related work experience requirements for the apprenticeship program being applied for; and be able to perform the physical requirements of the apprenticeship. All applicants must complete an assessment or courses at a Community/Technical College, or University, with minimum assessment placement results or equivalent course completions as follows: 1) English 90 or better. 2) Intermediate Algebra or better, taken within the last 5 years.
